

HISAdvocates with the Rockstar Team at ACN

Welcome to the #1 team in all ACN! We are thrilled to have you on our team!

We are providing you numerous resources to get started and build positive momentum for your new business.

Within the next day or two, if you have yet to do so, please complete the Home Survey and/or Business Survey in the links below to start exploring the incredible services your new business offers. These surveys will allow Joy (the Executive Assistant to our Regional Vice President, Alejandra Kalman) and the service vendors to reach out and assist you in finalizing your five services. If you also own a business, kindly fill out the Business Survey as well. Once your surveys are complete, you'll receive a copy of the results via email.

As you move forward and invite guests to the introductory Zoom sessions (which cover the business opportunity) you can also share the survey links with anyone interested in becoming a customer. This will help you effortlessly capture customers from those who choose not to become IBOs, as well. Our team is here to guide you through the process!

Again, The Rockstar Team looks forward to supporting you in growing your new business and welcoming you into our team!

Fast Five Starter Steps for new IBOs

1. Services Survey

Please complete so our Regional VP knows who our new team members are and where they're starting.

5. Get Qualified

To qualify, you need to get

- a) 5 services for yourself or
- b) 5 customers with 1 bill or
- c) 1 customer with 5 bills

GOAL # 1: Start by securing five services for yourself—you are your first customer (be certain to sign up using your personal storefront website)! Next, duplicate this process with two additional IBOs. How can you achieve this? Attend the trainings listed below and invite your guests to the upcoming presentations and follow **The Rockstar Training Material**. It's that easy!
